# SUMMARY OF COVERAGE

JULY 2023

# Summary of Coverage—Plan I

This brochure is a summary of your Teamsters Benefit Trust (TBT) Plan benefits and is intended only to highlight core benefits. For a more complete description of Plan benefits and eligibility rules, refer to the enclosed *Guide to Your Benefits*. This brochure is not a guarantee of eligibility or employment.

## Enrollment

You can enroll if you are covered under a Union Contract that provides for TBT Plan I participation as long as you satisfy the eligibility requirements described in the enclosed *Guide to Your Benefits* and your Employer makes the required contributions. All required enrollment forms (including an HMO application if you choose an HMO) must be received by the TBT Plan Administration Office before coverage begins.

## Medical Options

You may choose the Indemnity Medical option or one of the Health Maintenance Organizations (HMOs) available under your Plan by completing a *Medical Option Form* (mailed to you with your TBT enrollment materials). The *Comparison of Medical Benefits* highlights coverage under the Indemnity Medical option and HMOs. Each HMO option provides a separate *Evidence of Coverage* available through the TBT Plan Administration Office.

**Note:** To choose an HMO option, you must live within the HMO's service area. To determine whether you qualify for the HMO's service area, call the HMO's customer service number printed on page 8.

## Preferred Provider Organization (PPO) Network

The Indemnity Medical option pays for medically necessary services and supplies authorized by a licensed doctor for treatment of illness or injury. If you choose the Indemnity Medical option, your out-of-pocket costs will be lower when you take

advantage of the Anthem Blue Cross preferred provider network (PPO). PPO hospitals, doctors, clinics and medical labs agree by contract to accept reduced rates and fee ceilings (which means important savings to you and TBT).

When you are treated by non-PPO providers, claims are paid based on a percentage of Usual, Customary and Reasonable (UCR) charges—which usually means you will pay more out-of-pocket when you do not use PPO providers.

**It is your responsibility to make sure that you are treated by PPO providers if you want medical claims to be paid at the PPO rates.** The chart on page 5 shows the difference between PPO and non-PPO benefits under the Indemnity Medical option.

To locate the nearest PPO hospitals, surgery centers, doctors, medical labs and clinics, contact Anthem Blue Cross at (888) 887-3725 or [www.anthem.com](http://www.anthem.com). Since participating providers change often, always confirm that a doctor or hospital is a PPO provider before receiving services.

**Note:** If your TBT coverage is secondary and your primary plan denies your claim for benefits because you have elected to receive treatment from a provider or facility outside of your primary plan's PPO, TBT will coordinate benefits as if you received benefits from the primary plan under the primary plan's ordinary level of payment for PPO hospitals or doctors. See the *Guide to Your Benefits* for more details about *Coordination of Benefits*.

## PPO Network for Non-California Residents

If you live outside California, there is a network of preferred providers outside of California. To locate the nearest PPO hospital, doctor, clinic or medical lab, you must call the Blue Card National Network at (800) 810-2583. For Pre-admission Certification, except for alcoholism or chemical dependency, call Anthem Blue Cross at (800) 274-7767.

## No Surprises Act (Effective October 2022)

If you are treated at an out-of-network hospital or urgent care center, you must generally pay more out of pocket than if treated in a PPO hospital or urgent care center. The federal No Surprises Act provides that your out-of-pocket costs for the following out-of-network emergency claims will not be greater than if you were treated in-network:

- Emergency services.
- Services provided by an *out-of-network* doctor or other health care provider at an *in-network* hospital or urgent care center.
- Air ambulance services.

For claims subject to the No Surprises Act, the Plan's payment shall be applied to make what you and the Plan pay comparable to what would have been paid had the claim been incurred in a PPO facility. However, Non-PPO treatment that is not subject to the No Surprises Act will be paid as shown in the Schedule on page 5.

## Pre-admission Certification and Utilization Review

Pre-admission Certification and Utilization Review are required to determine medical necessity for all non-emergency hospital stays and within 72 hours of an emergency admission. If your hospital stay is extended, you must request Pre-admission Certification for any extended days by calling Anthem Blue Cross at the number listed on page 8.

If your eligibility for coverage ends after you are admitted to the hospital, you must call the TBT Plan Administration Office to ask about options for extended eligibility.

Pre-admission Certification does not mean that your eligibility will be extended if you lose eligibility while in the hospital. California and non-California participants must call Anthem Blue Cross at (800) 274-7767.

**Failure to obtain Pre-admission Certification and Utilization Review may result in a reduction of benefits. Charges for non-certified hospital days are not covered under the Plan.**

## When to Call

For inpatient admission or procedures, your provider must call Anthem Blue Cross before scheduling an inpatient stay (or to extend an existing stay). You, your doctor and the hospital will receive a written follow-up notice from Anthem Blue Cross by mail. If you have not received a notice, you should verify with Anthem Blue Cross in advance that Pre-admission Certification has been conducted before going to the hospital.

If Anthem Blue Cross determines that hospitalization is not necessary—or that hospital services are not medically necessary—you, your doctor and the hospital will be informed by Anthem Blue Cross.

Anthem Blue Cross will contact your doctor to confirm the need for hospitalization and write to tell you whether your hospital stay has been certified and, if so, for how long. **Remember, non-emergency days in a hospital must be certified in advance by Anthem Blue Cross or the charges will not be covered.**

## Alcohol or Chemical Dependency Benefit Review

The Teamsters Assistance Program (TAP) or Teamsters Alcohol/Drug Rehabilitation Program (TARP) are the Plan's review organizations to oversee all *alcohol and chemical dependency* treatment. TAP or TARP provide a network of alcohol or chemical dependency professionals and facilities in California.

Before seeking treatment for alcohol or chemical dependency, call TAP at (510) 562-3600 or (800) 253-TEAM. In the Central Valley, call TARP at (209) 572-6966 or (800) 522-8277.

**Note:** All Pre-admission Certification and Utilization Review procedures (described on this page) must also be met.

## Dental Options

Your TBT Plan offers a choice of dental options. The Indemnity Dental option (Delta Dental) is explained in this summary. See the *Comparison of Dental Benefits* for highlights of all your dental options.

You must complete the *Dental Option Form* (mailed to you with your TBT enrollment materials) to apply for dental coverage. **Note:** New employees may only choose Option 2 (Bright Now! Dental) or Option 3 (United Healthcare Dental) until a waiting period is satisfied. Option 1 (the Indemnity Dental option) is not available until one year following your initial hire date (unless you meet an exception listed on the back of your *Dental Option Form*).

## Limitations and Exclusions

Each TBT medical and dental option has limitations and exclusions and claim review and denial procedures that are described in the enclosed *Guide to Your Benefits, Comparison of Medical Benefits* and *Comparison of Dental Benefits*. HMO limitations are described in the *Evidence of Coverage* brochures provided by each HMO. Copies of these materials are also available through the TBT Plan Administration Office. If you have questions about your eligibility or benefits, contact the TBT Plan Administration Office at (510) 796-4676 or (800) 533-0119.

## TBT Pharmacy Benefit Manager (PBM)

TBT uses a Pharmacy Benefit Manager (PBM) that administers the retail pharmacy network and mail service program for Plan participants. The PBM is Anthem CarelonRx.

## Prescription Drug ID Card and Welcome Packet

When the TBT Plan Administration Office processes your enrollment forms and sends your eligibility status to Anthem CarelonRx, a PBM welcome packet is mailed to your home (including program information, prescription ID cards, mail service details and formulary details).

## What is Covered:

The Plan covers most medicines and drugs that are (1) prescribed under federal and state laws by a licensed doctor or dentist, (2) Medically Necessary for the patient's illness or injury, (3) fully approved by the U.S. Food and Drug Administration (FDA), (4) covered under the Anthem National Direct Formulary, and (5) not on the exclusion list called "What is Not Covered" in the *Guide to Your Benefits*.

# Summary of Coverage—Plan I

## **Anthem National Direct Formulary**

Your Plan has a formulary of preferred or non-preferred drugs called the Anthem National Direct Formulary maintained by Anthem CarelonRx. If you have formulary questions, call Anthem CarelonRx Customer Service at (833) 308-3034.

## **Medications Requiring Preauthorization**

Certain medications (such as those listed below) require preauthorization:

- Opioids (including but not limited to fentanyl, oxycodone, hydrocodone, codeine and morphine).
- Non-Formulary drugs.
- Specialty drugs.
- Certain injectable drugs.

## **Preauthorization Process**

The pharmacist will explain if the PBM billing program requests preauthorization for your medication. Your doctor must call the Anthem CarelonRx Customer Service at (833) 308-3034 and request preauthorization.

## **Specialty Drugs Pharmacy—Accredo**

Specialty pharmaceuticals are new or expensive medications that may require special storage, handling, administration and education. They require preauthorization, are limited to a 30-day supply and must be processed through a *special pharmacy* called “Accredo.” Your doctor must call the Anthem CarelonRx Customer Service at (833) 308-3034 and request a Specialty Drug preauthorization. Anthem CarelonRx will coordinate the pre-authorization process with the Accredo pharmacy that will contact you to make delivery arrangements.

## **Extension of Coverage While Totally Disabled**

If you are eligible but rendered unable to work because you become totally disabled as a result of an illness or injury (see *Extension of Coverage*

*while Totally Disabled* in the *Guide to Your Benefits*), coverage for you and your covered dependents may continue for up to three months.

Coverage is not automatic. You must apply for the extension of benefits by filling out and submitting the required forms to the TBT Plan Administration Office. Call TBT at (800) 533-0119 and ask for the disability department as soon as your physician has determined you will be out on disability.

## **Extension of Coverage Requirements**

You must become totally disabled while eligible under your TBT Employer-paid Plan. Proof of disability must be provided by your doctor before benefits begin. Periods of disability from the same condition that are not separated by two weeks of full-time covered work, or from two or more conditions not separated by return to full-time covered work, are considered to be *one period of disability*.

## **Disability Income Benefit for Plan I Employees**

You may be eligible for a weekly income benefit if you become Totally Disabled while eligible under your TBT Plan (see definition below).

The Plan pays you a disability income of \$40 per week for up to 26 weeks as long as you were eligible for benefits at the time you became disabled. The daily rate is one-seventh of the weekly rate.

## **Filing a Disability Claim**

1. Request a *Proof of Disability Claim Form* by calling the TBT Plan Administration Office at 800-533-0119 or downloading from [www.tbtfund.org/forms](http://www.tbtfund.org/forms).
2. Fill out your portion of the form and have your doctor complete the bottom portion.

3. Send the completed form to the TBT Plan Administration Office at the address printed on the form.

## **Life Insurance**

Your Plan provides life insurance benefits. Be sure to complete the Plan’s *Beneficiary Designation Form*. Contact the TBT Plan Administration Office for details.

## **Dependent Life Insurance**

Your Plan also provides dependent life insurance benefits. Enrollment is automatic for your covered dependents. Contact the TBT Plan Administration Office for details.

## **Plan Change or Termination**

TBT reserves the right to change or terminate the Plan at any time.

If benefit changes are made, you will be notified at the home mailing address you have listed with the TBT Plan Administration Office. If your covered spouse or dependents do not live with you, let them know that all TBT mail will be sent to your address.

## **Open Enrollment**

You can change your TBT medical and dental options once a year. After your initial election of medical and dental options, you may change them once every 12 months. See the *Guide to Your Benefits* or contact the TBT Plan Administration Office for details.

## **Eligibility and Benefit Questions**

Contact the TBT Plan Administration Office at (510) 796-4676 or (800) 533-0119. **Note:** Only the TBT Plan Administration Office can verify eligibility and coverage. Statements or documents provided by other sources such as your Employer or Local Union are not binding on TBT.

# Summary of Coverage—Plan I

## PLAN I SCHEDULE OF BENEFITS: YOUR OTHER BENEFITS

### 2. PRESCRIPTION DRUGS THROUGH ANTHEM CARELONRx (For You and Your Covered Dependents)

Outpatient prescription drugs using your Anthem CarelonRx ID card

Generic or brand name drugs from Anthem CarelonRx retail pharmacy **100%**

**Note:** If you (or your doctor) order a brand name drug (when a generic equivalent is available), you also pay the difference between generic and brand name. The Plan pays full price of brand name drugs only when there is no generic equivalent.

**Mail Service Program:** Prescriptions ordered through Anthem CarelonRx Mail Service Program have the same coverage as above.

**Pre-authorization Requirements:** Specialty drugs and many injectable medications require the prescribing doctor to request pre-authorization before they may be covered. These specialty drugs may also be limited to a 30-day supply (unless covered under your HMO).

**Pre-authorization Steps:** Your doctor must call Anthem CarelonRx at (833) 293-0659 to request a prior authorization form. The doctor's completed form may be sent to Anthem CarelonRx in one of these ways:

- By fax to (844) 474-3347, or
- Online by logging into CoverMyMeds or SureScripts.

Once approved, these drugs are not available through retail pharmacies. You must set up an account with Accredo to confirm shipping details by calling (800) 803-2523.

**Note:** Accredo is a specialty drugs pharmacy managed by Anthem CarelonRx.

See *Guide to Your Benefits* for more information about prescription drugs.

### 3. DENTAL BENEFITS (For You and Your Covered Dependents)

See the Dental Options section on page 3 for details about your Plan's dental options and the waiting period for new TBT participants. The *Comparison of Dental Benefits* briefly explains each dental option.

<b>Provided through the Indemnity Dental option—</b>		<b>Option 1</b>
Calendar year maximum per covered person		<b>None</b>
Delta participating dentist	<b>90% of covered preventive, basic and major dental expenses</b>	
Non-Delta dentist	<b>90% of UCR charges for covered preventive, basic and major expenses</b>	
Orthodontia	<b>70% of covered orthodontia expenses per covered person up to \$2,000 lifetime maximum</b>	

**Note:** Treatment for temporomandibular joint dysfunction (TMJ) must be authorized in advance. When pre-authorized, the Plan pays 70% of specific covered charges up to a lifetime maximum of \$1,000. See *Guide to Your Benefits*.

### 4. VISION CARE BENEFITS (For You and Your Covered Dependents)

Provided through the Vision Service Plan (VSP) network. See *Vision Care* section of the *Guide to Your Benefits*.

VSP eye care professional	<b>100% of covered charges</b>
Frequency of service:
