

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see <http://www.tbtfund.org> or call the TBT Plan Administration Office at 1-800-533-0119. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the **Glossary**. Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	For <u>network providers</u> : <b>\$0</b> . For <u>out-of-network providers</u> : <b>\$100</b> /individual or <b>\$200</b> /family per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of deductible expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. For <u>network providers</u> : preventive care, <u>preauthorized</u> inpatient and outpatient hospital and surgery, chiropractic, mental health, alcohol/chemical dependency treatment and certain other services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	<b>\$1,500</b> /individual or <b>\$3,000</b> /family per calendar year. Single accident limit <b>\$100</b> / family.	The <u>out-of-pocket limit</u> is the most you could pay in a calendar year for covered services.

<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance billing</u> charges, <u>copayments</u> on certain services, health care this <u>plan</u> doesn't cover, and penalties for failure to obtain <u>preauthorization</u> for certain services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.bcbs.com">www.bcbs.com</a> or call 1-800-810-2583 for <u>network providers</u> . (California residents, call 1-888-887-3725.) For Plan information about <u>network providers</u> and <u>out-of-network providers</u> , call the TBT Plan Administration Office at 1-800-533-0119.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Plan does not pay for out-of-network charges that are higher than <u>Usual, Customary &amp; Reasonable (UCR)</u> . Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
